## ABOUT ME

I am an ambitious problem solver with a passion for Web Development, who quickly adapt to changes in the performance of required duties . Being an empathic listener and persuasive speaker, I have the ability to work even in teamwork ,even independently in a fast-paced environment.I always set well-thought-out goals and continuously strive to achieve them, showing a desire to succeed and improve at tasks. I seek a role where I will be a able to apply my skills, with strict adherence in achieving the oraganizational goals. I would like in my future to be an expert in my area of work, with passion for challenges,innovation and working with people and communities.

## WORK EXPERIENCE

**15/06/2019 – 15/09/2019** – Bucharest, Romania

**GNOC Front Office Engineer - Internship**

SC HUAWEI TECHNOLOGIES SRL

I had an intership in the third year of the University which lasted for three months.

Main tasks:

• Network surveillance, 1st Level restoration and preventive maintenance;

• Work utilizing pre-prepared Instruction, Script commands

• Responsible for creating Trouble Tickets (TT) and work orders (WO) for network and service functionality and to escalate within the department / group as well as to the Back Office units / 3rdParty / supplier partner functions so that service layer may be maintained at specified level

**Certificate of Completetion the "React - The Complete Guide (incl Hooks, React Router, Redux)" Course**

Academy of Maximilian Schwarzmüller on Udemy

During the course, I made a React app that lets you build and customize a burger. It has a Node.js backend with implementation of Firebase for the database and hosting. The project was built using the Redux library. The user can create their own account, login and check their orders.

I achieved knowledge in React.js , Hooks, Redux, React Routing, Animations and Next.js.

**Field(s) of study**
   ◦ Web Development

## HOBBIES AND INTERESTS

**Hobbies and interests**

My passion for fashion motivated me to develop my skills in designing on paper and on pc.In my spare time, I like drawing by hand or making fashion sketches using Adobe Photoshop. I enjoy meeting up with my friends and family, but i also like to travel to discover new people and new places. I also enjoy reading mistery books and keeping in touch with the news.
